THE UNIVERSITY OF
ST. MICHAEL'S COLLEGE
1891-1900

To every thing there is a season, and a
time to every purpose under the heaven.

(Ecclesiastes 3:1-8)

PRESIDENT

This yearbook is an album of the events and the people who made them during the year at St. Michael's College. It records the friendships and associations, the hours of study and repose, the times for worship and for games, which have made this year special to us all. The faces and the events, so fresh in your memory on first reading, will become less clear as the years go by. But every time you open this book they will come back to you in a flood. *Windrose* for 1992 will also be a reminder of the spirit of St. Michael's, a spirit which I hope will be with you always. All good wishes and God's blessing be with you.

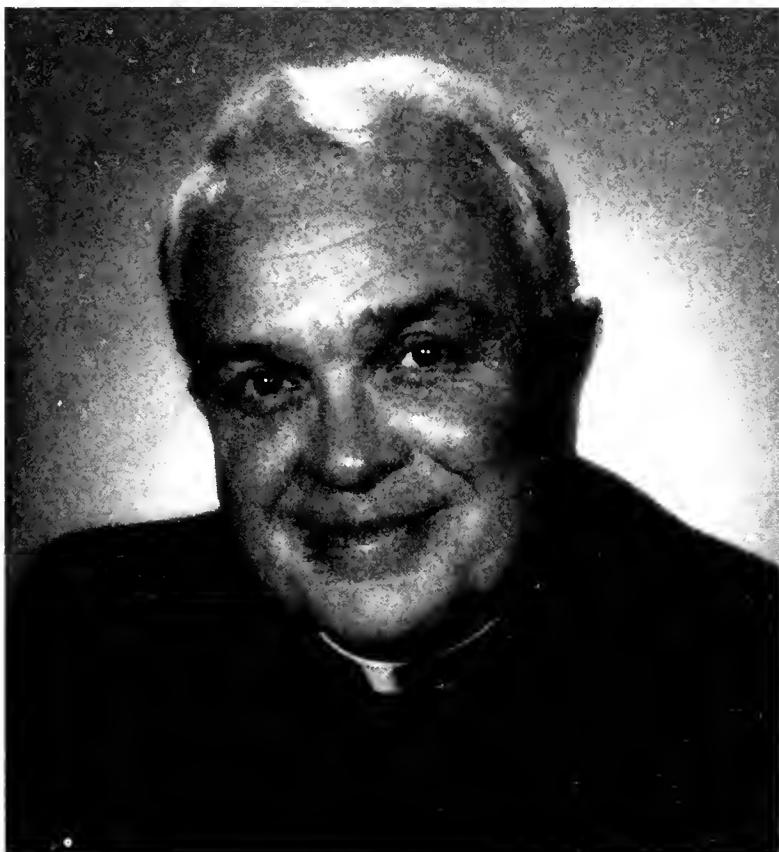

Dr. Richard Alway, C.M.
President

PRINCIPAL

I am very pleased for this change to offer best wishes and congratulations to the graduates of 1992, and to state my thanks and admiration for the efforts of the clubs and organizations reported in this volume of *Windrose*. These activities are vital to the life of St. Michael's. I would also like, in a special way, to commend Christine Patullo and her associates for undertaking the production of *Windrose* this year; providing a stylish, literate record of the year's activities is a valuable contribution to the ongoing life of St. Michael's College. Thanks.

Professor Joseph Boyle
Principal

DIRECTOR OF ALUMNI AFFAIRS

Congratulations to the graduates of the Class of 92! You have successfully met the challenges of the finest University and its best College. St. Michael's was founded in 1852; your commencement coincides with our 140th Anniversary and marks your association with, and contribution to, an outstanding Catholic educational tradition. Your graduation does not conclude your association with that rich tradition or complete your role in St. Michael's history. As alumni and alumnae you are warmly invited to continue your participation in the life of the College, and challenged to continue to influence its history. Stay in touch and take up the challenge!

Robert Madden, C.S.B.
Director, Alumni Affairs

PRESIDENT AND VICE-PRESIDENTS OF SMCSU

At the end of every year, each student looks back, and what do they remember ... how many A's they received on their essays? How many classes they missed? What their lab partner was like? Not likely! More often than not, most students remember the SMC championship football game, the Winterfest Pub, Ski Day, the Double Blue formal, or the school's musical. That is why the Windrose is realistic. It provides a memory for students to delve back into ... full of laughter, fun, and craziness. It is not full of lab reports and lecture notes, but rather fond memories of your years at SMC. Enjoy your yearbook and all it has to offer ... a constant reminder of the good times at St. Mike's.

If you are graduating, good luck with whatever path you take, and if you are returning next year, have fun and enjoy the times that will soon become a cherished past. From all of us at SMCSU, we've had a great time serving you!!!

A BRIEF HISTORY OF THE ARCHDIOCESE

Toronto became a Diocese in 1841, as a division of the Diocese of Kingston. Bishop Michael Power held a synod of his sixteen priests to form the Diocese. At that time, Toronto had only one church to accommodate some three thousand Roman Catholics. His most notable achievement was the building of St. Michael's Cathedral which began in 1845. He did not live to see its completion, as he died of typhus in 1847.

His successor, Bishop deCharbonnel, P.S.S., used his influence to bring the Basilian Fathers, the Sisters of St. Joseph and to found the Canadian chapter of the St. Vincent dePaul Society.

Our third Bishop, Bishop Lynch, C.M., was elevated to the status of Archbishop in 1870 by Pope Pius IX during the first Vatican Council.

Archbishop John Walsh, who followed Lynch, started *the Catholic Register* in 1893.

Archbishop Denis O'Connor, C.S.B., his successor was Toronto's first Ontario-born Bishop.

Then came Archbishop Fergus McEvay, who in 1909 helped organise the Catholic Church Extension Society of Canada. McEvay was also responsible for commencing work on St. Augustine's Seminary in Scarborough.

His successor Archbishop Neil McNeil opened the Seminary in 1913, organised the Catholic Women's League opened Martyrs' Shrine established the Scarborough Foreign Mission Society and was present at the opening of the Pontifical Institute of Mediaeval Studies.

Archbishop James McGuigan came to Toronto in the mid-1930's, introducing large scale fund raising projects for new parishes and Catholic secondary schools, and established St. Michael's Choir School.

Archbishop Philip Pocock guided the Archdiocese through the changes of Vatican II, and initiated the present Share-Life campaigns.

Archbishop Carter, named a Cardinal in 1978, guided his multi-cultured Archdiocese with a Pro-Life stand and urged full funding for our schools.

Our present Archbishop, Aloysius Matthew Ambrozic, succeeded on March 17, 1990.

XEROX

This is about winning.

“Winning isn’t everything. It’s the only thing.”
“It isn’t whether you win or lose, it’s how you play the game.” “If you don’t win, you lose”... and on and on and on. Ask a dozen people today what it means to win or what it takes to be a winner, and chances are you’ll come up with a dozen or more answers. At Xerox, we have our own ideas about winning and winners. To begin with, we believe winning is a team effort. Maybe that’s because we’ve never met a winner who is some way hasn’t been trained, coached, encouraged or just plain influenced by another human being.

We also believe that winning is fundamentally a by-product of character.

To win at anything of value requires the overcoming of obstacles. Often, the greatest of these obstacles is a wavering faith in our own potential. To win, in our opinion, is to go the distance. It is the ability to endure and persevere. Winning, as far as we’re concerned, is the ability to stretch oneself and be better for the effort. In the final analysis, winning is anything but easy. It is, however, the ultimate recognition of our struggle.
